Item B-30

Dear Marina, Alec and June Marie,

I hope this letter find you well; there is nothing new as far as we are concerned. Thank you very much for the magazines. Concerning my love life, nothing nice is happening. Everything is the way it was. I was telling you about Alfred from Cuba. They sent him to Moscow to study. We vacationed with him in Odessa and it was very nice but as is apparent happiness cannot be extended for as long as one likes. I told the story about Frederick and he answered that it doesn't affect him and that he wants to know what the future will be and not what happened earlier.

Marina, how does June Marie, Alec and yourself like everything? What have you bought new for yourself? Where do you live? Write about everything in general.

Love,

Anita
